GREEN APU works in all climates for optimal comfort without main engine idle. Installation is quick and simple. The Green APU system can be fully installed in as little as **5 hours**.

Integrated system with the vehicle's existing ducting system or custom installation. **It's your choice.**

Green APU has been road tested by drivers in real situations.

GREEN APU
AUXILIARY POWER UNIT

About **GREEN APU**

Built to maintain the perfect temperature in your sleeper without idling the truck. Recharges the truck's main battery. Green APU complies with no idle laws. Every state has had no idle laws in place for the last 15 years. Fines vary from \$50 to \$25,000.

Truck drivers, don't get caught breaking the law.

GREEN APU Features:

Engine: Cat Perkins, 2 cyl, Diesel
Oil change Interval: 600 hours
Bio-Diesel compatible
**Fuel Consumption: 0.1 to 0.2 g/h
truck idle 1.1-1.6 g/h**
AC Power: optional (inverter)

Truck Idle time:

10 hrs per day x 1 gal/h = 10 gal

Diesel Cost: \$4.00

10 gal x \$4 = \$40 diesel costs
per day

\$40 x 31 days = **\$1240** diesel costs
per month

APU TIME:

10 hrs per day x 0.2 gal/h = 2 gal

2 gal x \$4 = \$8 diesel costs per day

\$8 x 31 days = \$248

YOUR SAVINGS: \$992 per month

\$11,904 per YEAR.

Not including savings on oil wear
and tear on your engine.

Advantages of our APU:

Widely available off-the-shelf-components
Parts available at Red Dot and automotive
store near you.

User friendly interface

Compact size 19-1/2" x 22-5/8" x 22-1/2"

Heating & Air Conditioning
Keeps the truck engine warm
Charges the truck battery
Eliminates cold engine starts

About GREEN APU LLC.

Developed out of a need for a better product by a group of fleet owners who were unsatisfied with the value delivered by units available on the market. Result was a unit that outperformed every unit they've tried. Our Auxiliary Power Unit is manufactured in Addison, IL with parts from local American companies.

WE ARE FOCUSED ON:

**QUALITY
COMFORT
ENVIRONMENT
OPERATING COST
CUSTOMERS SATISFACTION
GREAT CUSTOMER SERVICE**
